Provincial Secretary.

ANNUAL REPORT OF THE BOARD OF  
TRUSTEES OF THE NELSON TRUST  
FUNDS FOR THE YEAR ENDING 1st  
DECEMBER, 1858.

In their last annual report the trustees entered very fully into the consideration of the various questions connected with the administration of the funds entrusted to them, under the impression that they were making their final report; certain defects, however, in the act passed by the General Assembly rendered it impossible to proceed to a fresh election; and another act was passed in the last session, continuing them in office during another year, and legalizing their previous proceedings. The uncertainty, however, which prevailed on this question for the first six months, rendered the trustees unwilling to take any steps which were not absolutely required for the safe custody of the funds; and at a later period, when several matters of public interest were brought before them, they preferred leaving them for the decision of the trustees about to be elected

in their place. For these reasons, the funds at their disposal remain much in the same condition as they were at the beginning of 1858, with one important exception. The sum of £3,000, which had been previously promised to the Provincial Government for educational purposes, was paid as provided for in the act, and the money is now in course of being employed for the purposes designed. The balance remaining due from the Home Government, mentioned in the last report, has also in that quarter been finally arranged.

The Reserved Religious Fund has also been increased by the addition of the annual interest, and now amounts to the sum of £1,487 15s.

The sums which, in accordance with the terms and intentions of the trust, they have devoted to the important purposes of promoting steam navigation, and an education as complete as the educational state of the province requires or admits of, are producing the beneficial results which were expected from them; and from the conditions attached to their employment, lead us to anticipate that the advantages we are deriving from them will be of a permanent character.

Subjoined is the annual financial statement for the year 1858.

By order of the Board of Trustees,  
A. G. JENKINS,  
Trust Funds Office, Secretary.  
21st December, 1858.
