VOL. X.

NELSON, THURSDAY, JULY 16, 1862.

No. 13.

PROROGATION OF PROVINCIAL COUNCIL.

MR. SPEAKER AND GENTLEMEN OF THE
PROVINCIAL COUNCIL,—

In closing the Session, permit me to thank you, on the behalf of the inhabitants of the Province, for the very earnest, zealous, and lengthened attention you have given to the various important measures that have been under your consideration.

I beg also to tender you my personal thanks for the expression of your approval of the policy hitherto pursued by me, as conveyed in the resolution adopted by you on the 18th of June last, in reference to the Executive Government Bill.

It gives me much pleasure to find that you have expressed your approval of the decisions come to by the Commissioners, appointed under the Act of the General Assembly, to investigate the claims of those of our earliest settlers, who came to this Province under the auspices of the New Zealand Company, and whose privations and sufferings consequent on the non-fulfilment of its engagements with them, fully entitles them

to the awards made in their favor. I shall take the earliest opportunity of conveying to the Governor your decision in this matter, and at the same time inform him of my entire concurrence therein, this being the only provision of the Act referred to requiring to be fulfilled to enable his Excellency to perform this too long delayed act of bare justice to a highly deserving portion of our population.

In my address to you on opening the present Session, I intimated my desire that an Act should be passed, providing for the liquidation of the debt of the province. The large sums, however, required during the present year, and voted by you for public works necessary for beneficial settlement, the various outlying portions of the province, appear to make it desirable that my views on this subject should be deferred until these works are accomplished.

The comparatively large sum voted by you under the head of "Miscellaneous," necessitated, as it is chiefly, by the Audit Act, will, I trust, be expended by me in such a way as to fully justify the confidence you have placed in me. I shall endeavour, to the utmost of my power, to expend this with the other votes you have passed, in such a

manner as will be best calculated to promote the present and future welfare of the province.

I have now the honor to inform you that I have, on behalf of the Governor, given my assent to the following Acts, namely:—

An Act to provide for the payment of the auditor of the public accounts of the province of Nelson.

An Act to authorise the Superintendent to let the Government Wharf at the Port of Nelson, and to make provision for the management of the same.

An Act to further amend the "Education Act, 1856."

An Act to amend the Auctioneers' Licensing Act, 1858.

An Act to prohibit the laying of Poison in the populated districts of the Province of Nelson.

An Act to repeal the Fencing Ordinance, and to make other provisions in lieu thereof.

An Act to make provision for the abatement of the Dog Nuisance.

An Act to amend the Nelson Improvement Act, 1856.

An Act to appropriate the Revenue of the Province of Nelson for the year ending thirty-first day of March, one thousand eight hundred and sixty-three.

And I have reserved for his Excellency's assent:

An Act to authorise the Superintendent of the Province of Nelson to raise a Loan not exceeding five thousand pounds, for the purpose of erecting and furnishing a Lunatic Asylum, and to authorise the appointments of the necessary officers for the management thereof.

I now declare this Council to be prorogued, and it stands prorogued accordingly.
