1. Each inspector shall keep up such a systematic inspection of the flocks in his district as to render it impossible for the disease to exist any length of time in any flock without his detecting it.
2. Each Inspector shall keep copies of the Nelson Scab Act, and of all regulations in force, which he shall produce at any time when required so to do by the owner of the sheep he may be inspecting.
3. Licenses issued in accordance with section 9 of the Nelson Scab Act, shall be in the form set forth in Schedule D hereunto annexed; and in the event of any such license becoming void, the Inspector shall give notice to the holder thereof in the form set forth in Schedule E.
4. All fees received by Inspectors must be paid to the Provincial Treasurer, at the termination of every quarter.

6. Sheep may be introduced into the Province of Nelson from Marlborough, subject to the provisions of the "Nelson Scab Act, 1865," and these regulations being strictly complied with, and not otherwise.
7. The Inspector residing in the Province of Marlborough shall attend to inspect sheep in that province, when called upon so to do, according to priority of application, excepting where a considerable saving of mileage can be effected, when the Inspector may, at his discretion, depart from the rule.
8. The Inspector shall be entitled to a mileage fee of one shilling per mile one way, for the distance travelled for the purpose of inspecting sheep in the province of Marlborough, or in any district where the 9th and 10th sections of the "Nelson Scab Act," are not in operation: Provided always, that if, whilst so travelling, the Inspector can attend to more than one application, a proportionate mileage only shall be charged to each flockowner.

Provided also that if any sheep draughted for inspection shall be found to be badly infected previous to dipping, no certificate for this introduction shall be granted.
10. When all the above conditions have been complied with, a certificate, in the form of Schedule F, may be issued for the introduction of such sheep into the Province of Nelson as far as the Government Dip at Foxhill, Waimea South, where they must be thoroughly dipped to the satisfaction of the Inspector for that district (to whom the certificate F must be given), before they can be allowed to proceed to any district where the 9th and 10th sections of the "Nelson Scab Act" are in operation.
11. Before any sheep shall be admitted into the district of Amuri, the owner thereof shall make a declaration in the form of Schedule B. of the Scab Act, 1865.
